

Customer Fence Quote

Our Fax Number: 954.472.6925

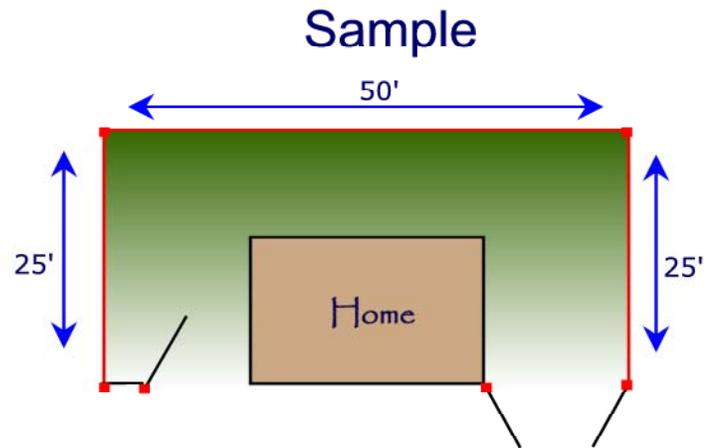

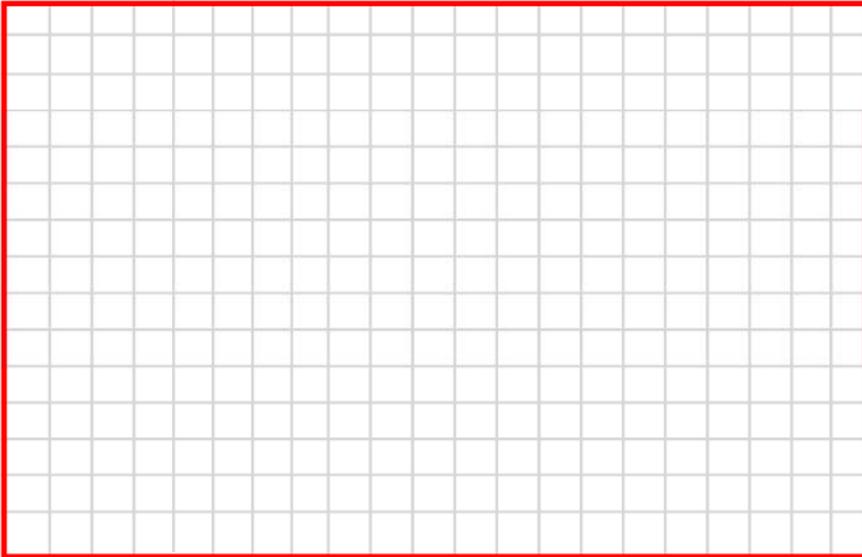

Measuring is really a fairly simple process.
Just use a tape measure, an inch or two one way or the other won't matter much.

We make our fences on job site.

Date _____

1 Select Fence Material and Style _____

2 Draw Your Fence

It is important to draw a layout of each section and all gate openings. We do need to know about each section and gate opening to determine the number of posts, boards, etc...

Total Linear Footage _____ Height _____

Single Gates _____ Drive Gate _____ Custom Gate _____
